

Fly Fly Fly (c) 1997 Hans Mayer

Jason blew a bubble from a stick of chewing gum
The more that he blew, the more the bubble grew
It grew so big, so big and so round
It grew so big, it lifted Jason off the ground

Fly, fly, to and fro - Flying high, flying low
When you'll land, nobody knows - Fly, fly, fly

Flapping his arms and kicking his feet
Jason was a flying way above the trees
Kids on the playground pointed up and cried
It's a bird, it's a plane, no! it's Jason, he can fly

Fly, fly to and fro...

All the teachers came running out to see
The Principal shook his head in disbelief
The kids on the playground were all chewing gum
Bubbles grew off they flew one by one

Fly, fly, to and fro..

The bubbles popped as the school bell rang
Down they fell with a bang, bang, bang
Jason woke up in his very own bed
Alarm clock ringing on the side of his head

Fly, fly, to and fro...
