

## **Hush Little Baby**

Hush little baby don't you cry  
Papa's gonna sing you a lullaby  
So now you can close your eyes  
It's time to go to sleep

The crickets sing a lullaby outside your window  
Over on the wall, the old clock ticks along  
A moonbeam is your nightlight by your pillow  
The old quilt Grandma made keeps you snug and warm

So, Hush little baby don't you cry
