

Under My Bed (c)1985 Hans Mayer & Frank Gosar

Under my bed are dirty socks -
Old comic books in a cardboard box
A baseball with the cover torn
A dried-out ear of Indian corn

My batman sneaker, all worn down
A purple bottle that I found

Six copper pennies, nearly new
My favorite shirt that I outgrew
My froggy slippers made of felt
A plastic leather cowboy belt

A yellow frisbee, slightly bent
Five toy soldiers and a tent

A peanut butter sandwich crust
Lots of nice grey fluffy dust
Some pretty stones, a ball of string
A lump that might be anything

I cleaned my room, Mom, like you said
Just don't look under my bed
