

Teddy Bear Lullaby

Words & music by Hans Mayer & Frank Gosar

Wrapped in blankets snug and warm
I've a friend beneath my arm
Dosing off without a care
I'm sleeping with my Teddy Bear

Nightmares never bother me
Teddy scares them off you see
Shadow Monsters can't compare
In bravery to a Teddy Bear

Never have to feel alone
Teddy Bear is right at home
I can sleep most anywhere
When I'm with my Teddy Bear
