Wake Up Little sleepy head  
Get up, come on get out of bed  
Rise and shine, good morning to you  
It would be a shame if you're not up soon

## **chorus**

The sun is up - the sky is blue  
The grass is sparkling with the dew  
Look outside what a beautiful day  
You wouldn't want to miss it

Oh no, you can't go back to bed  
Pull down the covers from you head  
Bend and stretch and reach for the sky  
When you touch your nose do you cross your eyes?

## **chorus**

Get dressed, go in and wash your face  
Breakfast is waiting on your plate  
Brush your teeth and comb your hair  
Put your smile on and come down stairs

## **chorus**
