

Peace Love & Harmony

Words & Music by Hans Mayer Copyright Myther Music 1998

Listen - do you hear those bells a ringing?

They're ringing in Christmas time again

Time for families to get together

Share something special with a friend

Ringin' in: Peace Love & Harmony

Is what the Christmas season brings

Look at all the pretty lights a shining

They're shining in Christmas once again

Time for families to trim the tree together

And give a present to a friend

Shining: Peace Love & Harmony

Is What the Christmas season brings

Listen - do you hear those children singing

They're singing those Christmas songs again

A time when families sing together

And share a song with a friend

Singing : Peace Love & Harmony

Is What the Christmas season brings
