

Winter Lullaby

Words & Music by Hans Mayer Copyright Myther Music 2010

This is my bedroom - the same shadows on the wall

Looking at the moon - as the snow begins to fall

Tomorrow will be a wonderland

I'll dream of it tonight

Drifting off to sleep --- my eyes start to close

Safe and warm underneath - my blanket that I've come to know

I will start to dream of a wonderland

I'll wake with the morning light
