

# When I'm Feeling Silly

by Hans Mayer & Frank Gosar

When I'm Feeling Silly, I walk backwards down the stairs  
Do handsprings on the sofa, and headstands on the chairs.  
When I'm feeling silly, I eat oatmeal with a straw  
Or lap it like a puppy dog and lick it off my paw.

Off my paw (*Off my paw!*)  
Off my paw (*Off my paw!*)  
Lap it like a puppy dog and lick it off my paw.

When I'm feeling silly, I go fishing in the sink  
Squirt the water through my teeth when mom gives me a drink.  
When I'm feeling silly and I watch the TV screen  
I twist the color knob until the faces all turn green.

All turn green (*All turn green!*),  
All turn green (*All turn green!*),  
Twist the color knob until the faces all turn green.

When I'm feeling silly, I hang curtains on my door  
Or skate on the linoleum across the kitchen floor.  
When I'm feeling silly, I put stockings on my head  
Lay my feet up on the pillow and sleep upside-down in bed.

On my head (*On my head!*),  
Down in bed (*Down in bed!*),  
Feet up on the pillow and sleep upside-down in bed.

When I'm feeling silly, I go diving in my bath  
And write the answers backwards when I'm working on my math.  
When I'm feeling silly, I pick up the telephone  
And pretend to talk to Grandma when it's just the dial tone.

Oh dial tone, (*Dial tone!*),  
Dial tone, (*Oh Dial tone!*),  
Pretend to talk to Grandma when it's just the dial tone.

When I'm feeling silly, I've got lots of things I do --  
But when I don't feel silly, I'm as serious as you.  
So don't you wear a long face, and feel all sad and blue  
You just do the things I do and you'll be silly too!

Oh silly too (*Silly too!*),  
Silly too (*Oh silly, too!*),  
You just do the things I do and you'll be silly too!
