

I'll Share With You

words and music by Hans Mayer

It's my toy but we can share it
And with you I want to share it
Cause if I share it you'll play with it too

It's my book but we can share it
And with you I want to share it
Cause if I share it you can read it too

Chorus

If we share the thing we have
No one ever will be sad
No one has to get mad
There's enough for me and you

It's my cake but we can share it
And with you I want to share it
Cause if we share it you can eat some too
Chorus

If it's mine we can share it
If it's yours we can share it
Cause if we share it we'll both have some too
If we share it we'll both have some too
