

The Other Side

words & music by Hans Mayer

A frog was hopping on a gravel road
Trying to get to the other side
In the middle of the road he met a toad
Trying to get to the other side

Chorus
The other side, other side
All the critters that are on this road
Are trying to get to the other side

A snake came by with a gleam in his eye
Trying to get to the other side
Snake was a thinking it was dinner time
Trying to get to the other side
Chorus

Frog and toad hopped on by
Into the ditch on the other side
Snake laid down in the warm sunshine
Dreaming about the other side
Chorus

If man keeps on building roads
There'll be no more other side
There'll be no place for frog and toad
There'll be no place for them to hide
Chorus
