I just love to hear you giggle  
I know you've got a wiggle worm

Chorus  
All you do is wiggle and you wiggle  
And you giggle and you jiggle and squirm

I bet if I gave you a tickle  
It would start your wiggle worm, and  
Chorus

Did you go to the doctor to get a wiggle pill  
Or did you start on the day you were born  
And it's wiggle, wiggle still

I bet if I gave you a pickle  
It would feed your wiggle worm, then  
Chorus

I bet if you just found a nickel  
You'd spend it on your wiggle worm, then  
Chorus

No one has to touch you and you giggle all the time  
Makes me believe you've got a giggle on you mind, and  
Chorus

repeat first verse, chorus, end
